To whom it may concern,

We at the OSTHPO had no interest, nor were we affiliated with the coordination of such a training here on the Pine Ridge Reservation. Fact remains that the Oglala Sioux Tribe continues to stand on principle with adamantly opposing any and all mining activities in our ancestral territory (see attached), including all extractive industries, so this in itself halts our NHPA Section 106 consultation relationship with the NRC staff at this point. The OSTHPO has experienced their continued lack of good faith consultation in our effort to protect cultural resources on several uranium mine projects, deceitfulness in the recent AS&LB hearings, paternalistic policies & strategies employed with uranium related mining projects in the region, resulting in our re-evaluation of future working connection with the NRC.

Thank you for taking the time to review this brief email.

Respectfully,

**Mike CatchesEnemy**

**Subject:** NRC Radiation Training Seminar at Oglala Lakota Head Start Facility Kyle SD Nov 18th and 19th  
**Importance:** High

Good Afternoon,

My name is Melinda Swansboro and I am a Program Assistant with S&K Global Solutions, LLC.

SKGS is a tribally owned small business that has been contracted by the NRC (Nuclear Regulatory Commission) to assist in facilitating a series of training seminars at 5 separate federally recognized tribal reservations.

Our next course is set for Tuesday and Wednesday November 18<sup>th</sup> and 19th at the Oglala Lakota Head Start Facility on Piya Wiconi Road in Kyle South Dakota on the Pine Ridge Reservation.

Your organization was given to us on a contact list by the NRC of individuals who might be interested in attending this event or know of individuals who may be interested. NRC Instructors and staff will be on site at the event in order to answer any specific questions that the community may have regarding the training content and topics be reviewed.

Please find attached our flyer with the information related to this next session. Instructions on where to RSVP are located on the flyer; while attending is free, we do ask that you RSVP so that we may provide and bring enough printed training material.

Please feel free to contact me should you have any questions at all.

Respectfully,

Melinda Swansboro
